## Easter Challenge, Non Uniform Day and Food Bank Donation

**Wednesday 27th March 2024**

Hello Everyone,

We cannot believe how quickly this term has gone, it definitely feels like spring is in the air and summer is just around the corner! To celebrate Easter this year, the FSS are holding our annual Easter Challenge during the school day on Wednesday 27th March. To make this event eggs-tra special this will be a non uniform day too!

In exchange for wearing non uniform for this event, we would like to invite children to bring in a donation of food or an Easter egg for the Portsmouth Food Bank, an amazing charity who support families in need in our local area.

Please send your child in with their donation on Wednesday 27th March. All donations need to be handed in at the beginning of the day, unfortunately we are unable to take anymore donations after this time. We know that times are tough for everyone, but every single donation to this cause really does make a difference. Check out this link for ideas on what to donate.

Thank you in advance for your food bank donations and also for your support with all of our FSS events this term.

We hope you all have a very hoppy spring break!
